June 4, 2019

Dear Executive,

I am pleased to inform you that the Taipei International Water Week, will be held from September 26-28, 2019.

In order to encourage more visitors to this show, the organizer, Taiwan External Trade Development Council (TAITRA) initiates a Visitor Invitation Project targeting following companies:

- A. Companies with annual sales in any of the past 3 years exceeding US\$ 5 million that are related to the industries profiled in the show, will be offered one round-trip economy-class ticket scheduled stay during two full show-day periods between September 26 to 28, 2019.
- B. Companies from developed countries with annual sales in any of the past 3 years exceeding US\$ 0.3 million that are related to the industries profiled in the show, will be offered one room with maximum allowance of NT\$ 12,000 (tax included) to be used toward lodging (up to 4 nights being in September 25 to 28, 2019) and airport pickup to-from the accommodating hotel.

Due to its limited availability, the application form, as attached must be filled by typing and submitted to this office by June 30, 2019 via email if you are interested in this project. Meanwhile, please note that the final approval is subject to the decision of TAITRA. Should you have any question or need further information in this regard, please feel free to contact me or my colleague, Ms. Valia Magoula. We remain at your disposal.

Sincerely yours,
