# Redefining To Indian Water Industry

EverythingAboutWater Expo is one of the most unique and comprehensive annual Water events in India showcasing latest technologies in the 3187 31111 Wastewater 111 13981110111 sector. Also recognized as the 1111 A\$13'3 1379831 Water event, this Water event is a perfect gateway for stakeholders from 3(T0\$3 the 9101) to participate into the vibrant and dynamic ecosystem of the Indian Water industry to share business opportunities, network and explore innovative Water solutions.

With 11 851119 consumption of Water in agriculture and 10131112 87235, India is expected to be severely water stressed by 2025. Rapid industrialization and growing population have widened the Water demand—supply gap for which both the Central and State governments are deeply concerned. Under this umbrella the 16111 EverythingAboutWater Expo 2019 will offer unparalleled business opportunities to both national as well as international players from the Water industry to learn, explore the future trends in the Indian Water market.
