Respected gentlemen /Embassy of Greece in Amman, Jordan

Subject: The 11th Sawsana Agricultural Exhibition

Thank you for your continued support, we are the technical consultancy center of one of the leading companies of exhibition and conferences sector in Jordan, we would like to inform you of the 11th sawsana agricultural exhibition and Vetrana for live stocks, poultry, fodders, and veterinary which will be held from 8-10 Nov 2021 in Amman – Jordan at the Jordan international exhibition center halls – mecca mall – gate 3.

SAWSANA considered the first and only exhibition specialized in Jordan in the fields of agriculture, poultry, and veterinary of all kinds, with more than 100 participant companies in the presence of 5000-7000 visitors as it was hold for the first time in 2003 under the patronage of His Majesty King Abdullah II.

Jordan distinguished in a strategic location which gathering between important Arab countries “Iraq, Palestine, gulf countries, Egypt, Syria...etc.”

SAWSANA will be a quantum leap in the agricultural sector due to the nature of the participating companies and the accompanying activities that contribute to supporting the participating sectors and compensating the losses through meeting the most important investors, producers, exporters, suppliers, and others in the most important countries of the world.

The exhibition is recognized by international and local companies which showcase to visitors the latest practices, techniques, and technologies to meet the needs of the agricultural sector. this agricultural exhibition also hosts researchers and representatives of study centers and consultancy firms from Jordan and the region.

Therefore, we are looking forward to your support to enhance the participation of Greek companies by encouraging them to participate in the exhibition to meet Arab and international companies. And open opportunities for investment and between both countries.

Yours Sincerely

General Manager
Sameer Owais
